FOR STATE TREASURER,
Hon. Stephen G. Sharpe,
OF KENTUCKY.

FOR STATE SENATOR,
Jeff. Hannahan,
OF KENTUCKY.

FOR COUNTY COMMISSIONER,
John H. Thompson.

THURSDAY, JUNE 27, 1889.

Hurrah for Hannahan!

5,000 of Andrew Carnegie's men
are preparing to strike.

Prohibition sustained heavy de-
feats in Rhode Island and Pennsylv-
ania last week.

Wm. Cassius Goodloe has been
appointed Internal Revenue Collec-
tor for this, the Seventh district.

In the last of the three great
events, as in the other two, Spo-
kens won and Procter Knott was
left.

Mrs. R. B. Hayes and Gen. Si-
mon Cameron are dangerously ill,
and are not expected to live many
days.

When you go to the polls in Au-
gust don't forget to record a vote in
favor of calling a Constitutional
Convention.

The first colored man ever united
to the priesthood in the United
States will soon be formally entered
in Baltimore.

Two Indianans were last week
heavily fined for voting idiotic and
furnish inmates of the county in-
stitutions at the last election.

One of Chief Justice Fuller's
daughters will, it is said, study law
after graduating from Wells College,
at which she is now a student.

At Franklin, Ky., William Hilton,
a miser about to die, burned \$30,000
in greenbacks and bonds, rather
than leave his property to his wife
and son.

Thos. O'Brien has been found
guilty of the murder of Betty Shea
at Lexington, last March, and sen-
tenced to death. When the verdict
was announced the fiend lit a cigar.

The celebration of St. John's Day
at Ashland was largely
attended and quite a good fund
was raised for the Louisville Wid-
ow's and Orphans' Home. Ex-Con-
gressman W. P. Taylor charmed
the crowd with a speech.

The Maysville Democrat says it
is estimated that the population
recently made for County Clerk in
that county cost the nominee \$25,
000, and also that a defeated candi-
date spent \$6,000. Truly this evil
of bribery in elections is reaching
an alarming extent.

The Press-Convention was the
means of giving Owensboro the
most extensive advertising she ever
had; and from the reports the Press
boys give of the manner in which
the thrifty city entertained them,
we judge that she merits all the
good things which have been said.

In the United States Court at
Frankfort last week Miss Irene Cow-
den, of Tennessee, was awarded
a judgment against John W. Lang-
ley, of Floyd county, for \$2,500
damages. The petition claimed
\$50,000 damages for defamation of
character in certain vile remarks
about Miss Cowden, uttered while
Mr. Langley was a candidate for
representative. Some of the ablest
barristers in the State were employed
in the case.

Senator Chandler has lately
grown ungrateful enough to deny
the truth of the fact which gave him
all the distinction he has ever en-
joyed—he imprudently stated that
Senator Blackburn did not pull his
chair. This denial, however, has on-
ly resulted in bringing forth state-
ments of the facts from others pre-
sent at the pulling. Perhaps Mr.
Chandler was hungry for some more
advertising, and thought that the
best plan was to deny the fact.
His free advertising should be based
on his activity in the presidential race of 1876.

Begin now to get in your good
words for Hannahan. You need not
be afraid of speaking too well of
him. You can't do that.

Hannahan for Senator.

The Democratic convention at
Cattletown last Tuesday nominat-
ed Hon. Jeff. Hannahan, a sound, El-
liott county Democrat, for State
Senator. They failed to find a suit-
able man to accept the nomination
for Representative, and as they pro-
pose to have no other than a first-
class man, the convention was ad-
vised to meet again on next Wed-
nesday to choose a candidate.

In his instructions to the Law-
rence grand jury last Monday Judge
Rice emphasized the importance of
hunting down those who have been
connected with the pernicious prac-
tice of buying and selling votes, and
charged the jury to put forth every
possible effort to find who these of-
fenders are, that they may be
brought to justice. He stated the
important fact that a poor man, even
with unquestioned merits, no longer
has any show for office. If every
Judge in the land would practi-
cally appreciate, as Judge Rice
does, that he is in a position to cause,
by little exertion, a great reforma-
tion in this matter we would soon
be blessed with a much purer ballot.
Judge Rice has recently been wag-
ing war in the other counties of the
district against election bribery and
large numbers of indictments have
resulted.

Commissioner Tanner some time
ago succeeded in exhausting the
pension appropriation for the fiscal
year, and pensioners who have not
been paid will have to wait until
some time in next month. This
state of affairs is the result of noth-
ing but waste and extravagance.
Congress appropriated all the money
Commissioner Black asked for.
The estimate of Gen. Black was
liberal and abundant, and had he
remained at the head of the Pension
Bureau there would have been a
surplus rather than a deficit. When
Gen. Black made his estimate of the
amount required, he did not expect
that hundreds of old rejected claims
would be dragged out, approved
and ordered paid out of appropria-
tion. This is why the appropria-
tion is exhausted, and actual suffer-
ing will occur all over the country
for the next ten days as in the past
two weeks.

With its invariable aptness
"Puck" has published a caricature
on the relative positions of the mo-
nopolists and the poor of the coun-
try. The illustration is based upon
the Conemaugh dam disaster. It
represents an immense dam called
the "High Tariff Dam," and owned
by the "Republican Monopoly Pleas-
ure Club." Carnegie, Depew, Stan-
ford and the other kings are above
the dam with their fishing tackle,
champagne, etc., and in the distance
may be seen the magnificent "Mo-
nopoly Club House." They are
having a royal time, and their faces
show unmistakably their selfish
feelings of security and satisfaction.
A few very small streams flow over
the dam to the great number of
foundries, factories, and numerous
industries lying just below and
within the mercies of the great dam.
It is a wonderfully striking and
practical illustration of the situa-
tion and must be seen to be fully
appreciated. Puck also puts the
following pertinent questions on the
subject:

"Is it safe for a nation to dam up
its total industrial product by law,
shutting out the buyers of all the
rest of the world? Is it safe for a
nation to sacrifice its whole carry-
ing trade, to prohibit its citizens
from buying ships and then to put
a prohibitive tax on ship-building
materials, so that they can not build
for themselves? Is it safe to sus-
pend the wholesome laws of free
competition and to encourage mo-
nopolies and combinations to fix
and raise prices? Is it safe to allow
a few men to grow rich by these
means, when the increase in their
wealth must come directly out of
the pockets of all their fellow citi-
zens? If these things are safe, then
it is safe to let fishing clubs build
and dam when and in whatever
manner they please—and those who
protest are idle theorists and alarm-
ists."

Protrient among the many peo-
ple in the State who are known to
be willing to become Governor may
be mentioned Hon. J. X. Brown and
Hon. Milton J. Durham. Lieuten-
ant Governor J. W. Bryan would
make an excellent Governor.
